WHAT IS BEL ECHO?

Bel Echo, (French for Beautiful Echo) is a terroir selection of our estates less conventional soil type. We consider Bel Echo somewhat adventurous in style, representing the opposite or ‘echo’ of our more traditional Clos Henri wines.

VITICULTURE

Grown predominantly on our free draining river stone soil, this Pinot expresses great lifted bright fruit notes and a hint of smokiness while being quite linear and tight in mouth, giving fascinating character and personality. Naturally strict water conditions (no irrigation) stress the vines to just the right level, in order to improve tannin structure and enable the roots to go deeper in the soil, thereby getting the purest expression of our terroir.

WINEMAKING

Bel Echo was fermented in large (7,500 l) French oak vats. 40% was then aged in these vats to maintain fruit integrity, while the remaining 60% was aged in old French oak barrels. This fine balance between fruit and oak enables the tannins to soften while retaining vibrancy of fruit.

Aromas of violet, blackberry and cherry are followed by a touch of liquorice spice and earthiness. The mouth is rounded and dense, surrounded by a lovely blend of fruit and smokiness. Juicy, with good structure, the palate shows us hints at the aging potential.
