PETIT CLOS PINOT NOIR 2016
ORGANICALLY GROWN IN THE WAIRAU VALLEY OF MARLBOROUGH

“This fruit driven Pinot has supple tannins and a juicy yet savoury profile from our younger vines”.

WHAT IS PETIT CLOS?
Petit Clos, translated from French to mean ‘small enclosed vineyard’, captures the vibrancy of our estate. Petit Clos wines come from our younger vines, from a mixture of soil types.

VITICULTURE
In the French tradition, our entire vineyard is high density planted - this forces the vines to compete with one another, resulting in highly concentrated grapes. The younger Pinot vines on our estate are situated on 3 different soil types. All our Pinot Noir is hand-picked in the cool, early mornings to retain fruit integrity.

WINEMAKING
This wine was fermented in stainless steel open tops and then aged in large (7,500 l) French oak vats for 11 months. Ageing in large oak vats, instead of smaller barrels, gives the wine great balance with subtle oak which enriches structure while retaining aromatic intensity.
